

## High-Endurance microSD Memory Card

for Security, Body and Dash Cams

---

Kingston's High-Endurance microSD card is built to withstand write-intensive applications such as professional and home surveillance cameras, dash cams and body cams. With 24/7 seamless recording and playback in Full HD 1080p<sup>1</sup>, it's guaranteed to capture critical recordings when you need it the most. The High-Endurance microSD card is engineered and tested for use in harsh conditions and is durable enough to protect itself from extreme temperatures, water and x-rays<sup>2</sup>. Kingston High-Endurance microSD cards are available in 32GB-256GB capacities and are backed by a three-year warranty, free technical support and legendary Kingston<sup>®</sup> reliability.

---

- 24/7 reliable recording<sup>1</sup>
- High-performance, seamless recording
- Durable in harsh conditions
- Save on monthly cloud storage fees by recording locally

## Key Features

- Continuous Surveillance

24/7 recording for professional surveillance systems<sup>1</sup>

- Seamless and reliable recording

Whether you are on the road or in the comfort of your own home, the Kingston High-Endurance microSD Card is guaranteed to capture thousands of hours of video on your dash cam or home security camera<sup>1</sup>
